Dear Parents, Guardians & Students'

Greetings and wishes from Notre Dame Holy Cross High School, Moharpara.

Every beginning has an end and every end has a new beginning we are coming to the end of this calendar year 2020. The year with mixed feelings and multiple experiences. I am sure this year has been a remarkable year in the history. The year was fully down with pandemic the normal life and activities were largely suspended. However we have raised above the challenging situations with the immense support of our teachers, the most cooperative parents and the ever cheerful students, your enormous support, encouragement and dedication is much appreciated. I place on record the hard work of our teachers and the supportive staff in their collaborative efforts in educating our young students.

1. **Half Yearly Answer Paper Collection:** The Parents submitted the half yearly test copies to the school on notified dates. The half yearly examinations were held at home under the guidance of parents and guardians.
2. **Half Yearly Results:** The half yearly corrected test copies and the results of the students were handed over the parents. The teachers instructed the parents to guide their wards at home.
3. **Annual Syllabus:** The annual syllabus were distributed to the students as well as posted in the classwhatsapp groups and in the school website.
4. **Online classes:** Once the syllabus were released, the online classes reassumed. The concerned subject teachers took tremendous efforts to reach out to students concerning their studies. The class videos were posted via class whatsapp groups as well as in the school website.
5. **Note Circulation:** The subject notes were circulated to the students through the whatsapp groups. The printed notes were made available to the students' in the school office.
6. **Talent Flair Results:** The long awaited Talent Flair intra school online completion results were declared. I highly appreciate the efforts made in by our students 'in exhibiting their talents. It was truly praiseworthy. The prizes of the winners will be distributed soon.
7. **Class X regular classes:** The class X regular classes began for the students keeping in mind all the SOPs of Covid -19. The consent letters to attend the classes were collected by the school management both from students' and parents.
8. **Class IX Classes for Doubt Clearing:** The School management had taken positive steps to organize classes for the students of class IX to clarify their doubts concerning various subjects. The consent letters from the parents and students were collected in order to attend the classes.
9. **Children's Day:** The teachers grouped up to celebrate the long awaited children day. The celebration was virtual and only class X students' were given the opportunity to be present for the live program. The program was **posted via school You tube channel**.
10. **Collection of Projects:** The academic activities had begun in the school. The students were given subject wise topics to prepare their projects at home. After the completion of the project, it was collected and evaluated by the subject teachers.
11. **Parents Teachers Meet:** The school Management believes in the three pillar education philosophy, that are parents, teachers and students'. Keeping this right thought in mind the school management conducted class wise parents' teacher meeting. During the meeting

various issues concerning school were discussed and evaluation of the online education was done. The parents expressed their happiness concerning the activities of the school.

12. **Class X Pre Board Examination:** Knowing that the Class X batch is the important batch. The first pre-test was conducted to prepare the students for their board examination and making sure that the students focus rightly on their studies.
