Prayer for Students

*Father of Light and Wisdom,
thank you for giving me
a mind that can know
and a heart that can love.*

*Help me to keep learning every day of my life—
no matter what the subject may be.
Let me be convinced that all knowledge leads to you
and let me know how to find you and love you
in all the things you have made.*

*Encourage me when the studies are difficult
and when I am tempted to give up
Enlighten me when my brain is slow
and help me to grasp the truth held out to me.*

*Grant me the grace to put my knowledge to use
in building the kingdom of God on earth
so that I may enter the kingdom of God in heaven.*

Amen.

MISSION STATEMENT OF NOTRE DAME HOLY CROSS SCHOOL

keeping with Holy Cross charism of education, we shall avoid no sacrifice, and leave no stones unturned in providing holistic and quality educational opportunities to the young entrusted to our care, who hail from a wide range of backgrounds : social, intellectual, economic, ethnic and religious, who possess a wide range of talents and abilities. “We shall always place education side by side with instruction; the mind will not be cultivated at the expense of the heart”. With zeal, we shall strive to form informed and useful citizens of the earthly society with heavenly values, and integrated morality. While striving to form excellent persons through our mission of education, we shall try “to blend gentleness with firmness, prudence and vigilance, which is the secret of successful education.”

“EDUCATING HEART AND MIND”

In 1837 Bl. Basil Moreau, the Founder of the Congregation of Sainte Croix, (Holy Cross), envisioned education as the main source of empowering the young for a better and brighter world and to uplift the broken society of France. He prepared men and women religious, who wanted to see the world as he saw it, developed and empowered. To this end he founded a congregation of priests to do pastoral and educational ministry, Marianite sisters to do educational and domestic ministry and he incorporated the Brothers of St. Joseph to do formal and non-formal education. These three branches were brought under the one umbrella of Sainte Croix (Holy Cross). Thus Bl. Basil Moreau became a visionary who constantly spoke on the theme of unity as a family to keep the members focused on this meaningful mission of sowing the seed of **LOVE** and **PEACE**.

France : In 1789, the French Revolution, which rebelled against the political and religious oppression of the day, Stripped the country to the bare minimum and created destruction and chaos throughout France. It was a time of great confusion and division in the church, a period of uncertainty and fear, a time of execution and persecution, and a period

when the churches, schools and seminaries were all nationalized. Religious congregations and organizations were banned.

In 1802, Napoleon's Concordat made a breakthrough for the revival of the church organizations. There was a mushrooming of charismatic persons and organizations to answer to the needs of the devastated situation of the society. Education was one of the greatest needs of the time. The religious leaders focused all their resources on education and on restoring the fallen society.

One such religious leader was Basil Anthony Moreau, born on February 11, 1799, to Louis and Louis Moreau. He was the ninth of their fourteen children and showed a quick intelligence and qualities of leadership along with a pious character. He was ordained a priest on August 12, 1821, at the age of 22. Since the formation of the clergy was one of the urgent needs of the time, he was asked by his bishop to train and educate the youth of his time for the priesthood. Thus he became a professor at the philosophy house of the seminary in the Diocese of Le Mans, France.

Soon the international character of the community began to evolve. The Holy Cross priests, sisters and brothers established foundation in Algeria (1840), the United States (1842), Canada (1847), Chile, (1943), East Bengali (1853) and in India (1960).

Notre Dame Holy Cross School, Moharpara, Tripura : Notre Dame Holy Cross School, Moharpara is an unaided private minority school, established in 1993, owned and managed by the Society of the fathers of Holy Cross through the Holy Cross Educational Foundation.
