

Dear Parents and Guardians ,

Greetings from Fr. Alfred CSC,

At the outset I would like to thank you for your cooperation and consideration . As the country goes through the complete lock down and the world stands still. Our students are unable to have the classes .We have successfully distributed the books to our students. I truly believe this will help our students to spend quality time in learning and obtaining knowledge.

We will begin the online classes from Monday 11/05/2020, by uploading videos and notes in our school website. Students can login through the Students login ID and password . The student's login ID and password are given in the website according to class and section wise. The Notes will be available in the school you can collect it from the school office as well as posted in the website. I request all the parents to encourage the students to spend quality time in learning activities in order to keep up their thirst for knowledge and wisdom. Parents and Guardians of Classes IX and X are requested to follow up the students in their learning process. The teacher's of our school are well equipped to help and guide the students. please do get in touch with them.
