

Notre Dame Holy Cross High School, Moharpara

REF/NO/ NDHCHSM/HALF YEARLY/MEMO/001

21/08/2021

Dear Parents, Guardians and students

Greetings from Notre dame Holy Cross High School, Moharpara.

The Half yearly exams are approaching in a few weeks' time. The teachers have covered the syllabus and the notes are given via what's app groups and are made available in the school office. Students' are expected to prepare well for the upcoming examination. If any one of you are having any doubts or clarifications please contact the teachers or the school office for further guidance and assistance.

- The Half Yearly examinations will be held from 20th September 2021 to 28th September, 2021.
- The Mode of Examination will be intimated soon (whether exams will be held at home or school).
- The Syllabus and the notes for the examination are being given already. If someone has not received yet please contact the school office.
- The Time table of the Examination is already declared. Classes I to VIII is of 80 Marks, One paper per day.
- The Question papers will be shared via (School app, School website, and class Whatsapp group) in case someone is finding difficulty the hard copies are available in the school office as well. (in case exams held at home).
- Students are expected to write the exams in the Morning hours between 9 AM to 12 NOON. (While answering the exam you are requested to click a photo and send to the class Whatsapp group to mark your attendance.) – In case exams held at home.
- The Exams will be written in your test copies and you will submit the test copies for corrections on a particular date which will be announced later.
- The School office will issue admit card to write the examination, hence you are humbly requested to clear the fees till the month of September, 2021.
- All the students are expected to attend the examination without fail. In case any student is sick you are requested to inform the school office.
- The School tuition fees can be paid via online as well as offline mode.
- These exams are conducted in view of making sure that the students are in the process of learning and are in touch with academic.
- We are taking these initiatives to ensure that our students do not lose touch with books and stop learning during these extended lockdown period. In case of any doubts/clarification or difficulty kindly contact the school. We are here to help you.
