07/05/2021

Dear Parents, Guardians & Students

I express my warm greetings and blessings to everyone.

I trust and believe that you are safe and sound with good health. We have been having regular online classes for the students with the help of School App.

The school app that we have launched recently has become an effective tool to deliver the recorded lectures and notes to our students. We were also open to receive the feedback and express our gratitude to all the parents who have shared their feedbacks.

The feedbacks surely have improved our approached and we are improving ourselves with each passing day.

Keeping in mind the activity of the students related to their studies and seriousness, the school management has decided that each student must login the app and attend the online recorded class which is uploaded every day. If he/she fails to watch the recorded class within two weeks from the date of the video uploaded, it will impact your attendance. The seen report in the system reflects your attendance for the school record. Therefore I humbly request you to login and watch the videos.

We have positively worked with our teachers to improve upon the quality of our online teaching based video mode. Thereby, you will find the videos which are posted from today in a better quality.

The class notes are uploaded in the school app as well as in the Whatsapp groups. The printed notes are available in the school office. The students are expected to write the notes in their copies.

School dairy and syllabus is already made available in the School app as well as in the Whatsapp group, the printed copies are available in the school office, you may collect them as when possible.

A reminder to all the students of class V, you are requested to collect your Hindi textbook and cursive handwriting notebook from the counter bringing along your re-admission receipt.

The school management has positively availed the online payment of tuition fees, which could be paid with the help of school app or via school website (<http://holycrossschoolmoharpara.in>). The offline mode of paying tuition fees is also active.

Thank you so much for your understanding, Please be assured of my prayers for your safety and good health.

Stay safe and stay healthy.

Principal
