Dear Parents and Students,

The process of registering yourselves to participate in the examination in various subjects of “Silver Zone” is underway. You can register your name online and order required books at the same time. A link has given to register your name online and other necessary information related to it is given below. You can register your name and order the books by just clicking on the given link and filling up the online form.

With the help of this link you can register yourself for exams, buy books and pay registration fee from your homes directly.

I encourage our students to participate into it and gain experience. During the past years many students participated into it and won prizes.
